PROFESSIONAL AND ACADEMIC EXPERIENCE

Academic Project – Global Entrepreneurial Marketing Coursework	Stanford, CA
A1Zap (YC-backed AI Messaging Platform) GTM Strategy	September 2025 -December 2025
- Conducted market and audience analysis to help A1Zap identify target users and define its entry strategy - Performed competitive analysis and positioning against platforms such as Slack and Discord to clarify differentiation - Developed go-to-market and demand-generation strategies, including a freemium revenue model and partnership-led growth opportunities	

Goalsetter (Financial Literacy Fintech Based in NY)	Remote
Intern, in Product & User Insights	June 2025-December 2025
- Reviewed and evaluated NIL course content to assess clarity, tone, and structure for student-athlete audiences - Recommended product features and adoption strategies by synthesizing student-athlete feedback from content reviews - Supported go-to-market efforts by promoting the NIL program to student-athletes and driving early adoption	

Academic Project – Entrepreneurship Without Borders Coursework	Stanford, CA
Cofounder & Product Lead – Startup Project	April 2025-June 2025
- Identified and validated a core inclusion problem among refugee youth in Greece through conducting more than 20 interviews with NGOs and camp operators, revealing limitations of resource-heavy, in-person sports programs - Led a strategic pivot from an in-person league to a scalable AI-powered mentorship platform, redesigning the product to address inclusion at scale based on user and stakeholder insights - Built financial and product roadmaps, validating market fit and pricing through A/B testing and pricing surveys	

LEADERSHIP EXPERIENCE

Stanford University, NCAA Division I Women's Varsity Basketball Team	Stanford, CA
Team Captain	September 2022-Present
- Commit 20-30+ hours per week to athletic requirements while maintaining rigorous and accelerated academic plan - Manage team schedules, prepare game plans, and review team strategy, contributing to athletic success - Represent Stanford at international competitions, NCAA tournaments and FIBA U20 European Championships	

Greek National Basketball Team	Athens, Greece
Greek National Team Captain	June 2018- Present
- Selected to lead and represent Greece by competing on the international stage throughout multiple tournaments - Competed in three FIBA European Championships, including U20 Division B (2023, 2024) - Delivered 20-point performance against Croatia and ranked among the tournament's top shooters in three-pointers
